

Customer Service Representative

The Company

Here at Encore Glass, we are dedicated to providing the best service and highest quality products in the industry. Forty plus years ago, we began sterilizing and recycling bottles for Northern California wineries (letting the bottles perform an 'encore'). As we learned more about the needs of the vintners we serve, we expanded to import and distribute glass and expanded to offer services like custom printed boxes, decorated bottles, and custom molds. Millions of cases later, we are still led by the same family and the same values for our customers and our employees.

We empower you to make decisions and seek out the information necessary to provide exceptional service to our customers. If you are looking for a role where you get to think fast on your feet, juggle multiple priorities at once and take ownership of your accounts, this is the place for you!
